

DOWNTOWN TORPEDOES!

FUN TIMES AHEAD!

To mark the 153rd anniversary of the Battle of Mobile Bay, we'll stage a reenactment of that epic encounter.

Except this time, the Battle will be on land (Cathedral Square), cannons will be replaced by water balloons & super-soakers, and the outcome is uncertain.

Wednesday, August 16th, 5:30

Bring super-soakers and a towel — you'll want to dry off before heading to the shops, galleries and restaurants after the battle is decided!

Water balloons (thousands of them) provided.
