To the Board of Directors
Downtown Mobile District Management Corporation

Report on the Financial Statements

We have audited the accompanying financial statements of Downtown Mobile District Management Corporation (a nonprofit Corporation), which comprise the statements of financial position – modified cash basis as of June 30, 2015 and 2014, and the related statements of activities – modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Downtown Mobile District Management Corporation as of June 30, 2015 and 2014, and its changes in net assets during the years then ended in accordance with the modified cash basis of accounting described in Note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Operating Expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF ACTIVITIES

Downtown Mobile District Management Corporation (the “Organization”) is a non-profit corporation established pursuant to the Self-Help Business Improvement District Act as a district management corporation representing real property owners within a self-help business improvement district. The purpose of the Organization is to assist the City and County of Mobile, Alabama, the property owners within the downtown Mobile, Alabama district, and the public in promoting economic growth and development, employment and general welfare within, and preserving and enhancing the function and appearance of the geographical area comprising the District. The organization executes programs to improve the local business climate, and provides administrative and other supplemental services to benefit businesses, employees, residents and consumers within the District.

The Organization is supported primarily by annual assessments paid by the property owners within the District. Assessments are calculated based upon the fair market value of the property, as determined by the Mobile County Revenue Commissioner. As provided by State of Alabama law, the assessments shall be enforceable by a lien on the real property.

Other revenues are derived from performance contracts with the City of Mobile, County of Mobile, U.S. General Services Administration, and Retirement Systems of Alabama.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

Downtown Mobile District Management Corporation, Inc. prepares its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under the modified cash basis of accounting, certain revenues other than assessments and period-specific contract income, and the related assets are recognized when collected rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Deferred revenues

Assessment income, annual meeting sponsorships, and period-specific contract income received in advance of the applicable period are recognized during the fiscal period for which they apply.

Basis of presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification, *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of presentation (continued)

Unrestricted Net Assets – not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted Net Assets – subject to donor-imposed stipulations that may be fulfilled by actions of the Corporation to meet the stipulations or become unrestricted at the date specified by the donor.

Permanently Restricted Net Assets – subject to donor-imposed stipulations that they be retained and invested permanently by the Corporation.

The Corporation has no temporarily or permanently restricted net assets.

Cash and cash equivalents

The Corporation considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

Property and equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed over the estimated useful lives of the assets, using primarily accelerated methods.

Income taxes

The Corporation is exempt from federal and state income taxes under Section 501(c)(4) of the Internal Revenue Code, Section 10-3A-1 of the Alabama Code, and Act No. 2004-382 of the Legislature of the State of Alabama, and, therefore, has no provision for income taxes. The Corporation believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Subsequent events

The corporation has evaluated subsequent events through November 18, 2015, the date at which the financial statements were available to be issued. No subsequent events have occurred through that date that would have a material impact on the financial statements.

NOTE 3 – PROPERTY AND EQUIPMENT

Participants may contribute a portion of their compensation to the plan, up to the maximum amount permitted under Section 401(k) of the Internal Revenue Code.
