

# Nominate a Downtown Project for a 2024 Main Street Mobile Award

The Main Street Mobile Awards Committee is asking for your nominations for this year's awards. If you know of a transformational project in one of the categories below, please submit the nomination to [Carol Hunter](#). The following criteria will be used to evaluate nominations:

- Raising the Bar - Establishes a high standard of excellence
- Innovation - A novel or creative approach
- Collaboration - Promotes partnerships to amplify results

1

The **Downtown Inspiration Award** recognizes an entity or individual who has taken a leadership role in transformational initiatives

2

The **Adaptive Reuse Award** recognizes excellence in the renovation of a vacant or underutilized building.

3

The **Excellence in Facade Improvement Award** recognizes renovated building frontages that enhance the streetscape.

4

The **Excellence in the Public Realm Award** recognizes transformational improvements in our streets, sidewalks or parks: changes that delight pedestrians, increase their safety, and add to our economic vitality.

5

The **Excellence in new Construction or Infill Award** recognizes projects that are helping to knit back the fabric of our city center by putting new buildings on vacant lots.

6

The **Engaging Third Places Award** celebrates those spots that are not home, and not work; those places that are so welcoming that people gather for a sense of community

7

The **Excellence in Architecture and Design Award** recognizes work that enhances the public realm through thoughtful, pedestrian centered design, or creates an interior that results in an inviting workplace or retail space.

8

The **Bienville Award**, named for the heart of downtown, recognizes an individual or entity whose efforts have improved the lives of people in Downtown Mobile.

*Nominations due by July 2!*
